

WELCOME TO Little League / Babe Ruth Baseball & Softball

Spring is almost here, and we're looking ahead to a great season of baseball/softball. The cost to participate in our 2011 program remains the same at \$30 per player. A family discount is available; for those with three or more players, there will be a maximum fee of \$75.00. Payment is required at registration. Registration fees are non-refundable.

NEW PLAYERS

Children new to the program must bring to registration a copy of their birth certificate to remain in our files.

LEAGUE AGE

For baseball, league age is how old the player is on April 30, 2011. For softball, the player's age on December 31, 2010 determines her league age for the 2011 season.

T-BALL

Five and six year old children must play at least one year of T-ball. Its purpose is to teach this age group the proper fundamentals, with coaches focusing on their needs in an intramural setting and with modified game rules.

5 Pitch

5 Pitch is a co-ed program for children ages seven and eight. While the focus is still primarily on the basics, players are introduced to the rules of the game.

MAJOR/MINOR LEAGUE

Players ages 9-12 are assigned to teams after registration and tryouts. All 9 year old players are placed on Minor League teams. Players on a Major League team last year will remain on a Major League team. Players who do not make the draft for the Major League program will play in the Minor League. Both levels offer opportunities to further player skill and improve teamwork.

BABE RUTH

Babe Ruth Softball will be offered to girls 13-15 and Babe Ruth Baseball is offered for 13-15 year old boys.

50/50 Raffle Tickets
will be available as an
option of selling to
offset cost of
registration

*Use back parking lot at MES and
enter the gym through the side door.*
