

Winter 2003 – 2004

Peoples Academy Snowmobile Rules

Those students intending to operate a snowmobile to and from school property must adhere to the following rules:

Operators of a snowmobile must be at least 16 years of age.

Operators of a snowmobile born after July 1, 1983 must possess a certificate of snowmobile education while operating a snowmobile.

Operators must have permission of the school to operate on school grounds.

Operators must provide the school with registration number and description on the snowmobile that they intend to use.

Operators must follow all Vermont State Laws governing the use of snowmobiles.

Operators may not race or operate a snowmobile on school grounds in a reckless manner so as to endanger a person or property.

Operators may not operate on school grounds in an unreasonable or unsafe manner; and may not operate a snowmobile at a speed greater than is reasonable under the conditions, having regard for actual and potential hazards. Speed must be controlled to avoid collisions with any person, vehicle, snowmobile or object.

Operators must stay on trails marked for use by snowmobiles. They may not use the school's cross country trails.

Operators must park snowmobiles in the designated area.
